The Library's free **Internet to Go** service gives you a way to enjoy online access from nearly anywhere, connecting your laptop computer, smartphone, or tablet to a Wi-Fi hotspot device.

Using the hotspot, you can take part in all sorts of activities that require an internet connection:

- check email
- browse websites
- pay bills online
- apply for jobs
- conduct research
- play games
- stream music or movies
- *and more!*

How to borrow Internet to Go kits:

Go to kclibrary.org/internettogo to place a hold and have a kit sent to the Library location of your choice. Or contact us by phone, email, or chat.

When you receive notice the kit is ready at your selected location, follow the instructions for our **Pop In / Pick Up** service upon arrival. The kit includes instructions for connecting your Wi-Fi-enabled device to the hotspot.

You have 14 days to use the hotspot and the free internet service it provides.

There is no cost to you to use the device; the Library pays for unlimited wireless service.

Reserve a kit | Library card required
